Dear Mr. Burr:

At the request of Dave Turner, I am providing new EPA Form 1s for all of the subject NPDES permits for National Coal, LLC (formerly National Coal Corporation).

As you are aware, National Coal Corporation went through a name change with the Tennessee Secretary of State. Shortly thereafter National Coal, LLC was purchased by Ranger Coal Holdings, LLC. These new forms update the NPDES permits with National Coal, LLC as the permittee. Updated address attachment forms for each permit site are also being provided.

The original and one copy of the completed forms are being provided for your use. Should you have any immediate comments or questions concerning this information, please contact me at 423.566.1915.

Sincerely,

Tim K. Slone, PE, PLS
